**Classes and Fees**

Welcome to St. Paul's Christian Day School, an early childhood/elementary program with Christian nurturing, low staff/child ratios, experienced staff, and certified teachers! St. Paul's provides a loving, supportive learning atmosphere that allows children to experience success and develop a positive self-concept as they learn through stimulating experiences, play, and extended enrichment. The goal is to nurture the spiritual, emotional, social, intellectual, and physical growth of children, and to assist each child in developing to his/her potential when he/she is ready. Each child is special to the St. Paul's staff, loved as a child of God and guided in the way Jesus would have them grow. Listed below are the programs we offer and the fees for each program. **September 1 is the guideline for minimum age requirements.** The registration fee is a one-time fee paid prior to each school year. Monthly tuition for a school year is paid in nine monthly payments, September through May.
